## Partner with Craft and Canvas

Hey there, fellow creative!

We're Craft and Canvas – a Perth-based mobile art experience bringing paint & sip sessions, family fun, and messy masterpieces right to your venue. We're all about connection, creativity, and fun.

If you love community, art, and wine (or juice – we don't judge), let's chat about collaborating!

### What a Collaboration Can Look Like:

- Pop-Up Paint & Sip events at your cafe, bar, winery, or space
- Themed Creative Nights tied into your business (custom artwork to go with)
- Cross-promo campaigns to boost both our audiences
- Workshops, school holiday events, markets, and more
- Ticketed events with a fixed fee from Craft and Canvas, you set the final price and keep the difference.

## What does a session include?

- All art supplies – paints, brushes, canvases, palettes, aprons, and table covers
- A fun, friendly, and experienced host to guide the session
- Step-by-step painting instructions – no experience needed!
- Full set-up and clean-up (yep, we handle the mess)
- 1.5 to 2 hours of creative, hands-on fun
- A themed painting chosen to suit your group or event
- Great tunes and a relaxed, upbeat vibe
- Plenty of photo opportunities and take-home masterpieces!

Paint and Sip with Amy was such a fun and enjoyable night! Not something I have ever done before but I thoroughly enjoyed it and Amy was such a friendly and supportive host. - Mel Corden
